II. State Delegation Meetings/Teleconferences

Date: January 22, 2007-Executive Meeting
Outcome: Committee Chair Assignments Made

Date: April 3, 2007 Executive Meeting
Outcome: Planning for the next full Stake Holder's Meeting

State Subcommittee Meetings/Training

Date: February 26, 2007

Outcome: Discussion centered on HIPPA and the need for a partnership between EMS and the Functional Needs Population. A TIPS sheet was approved.

Date: March 26, 2007

Outcome: To promote training of first responders on the Functional Needs Population and to find funding for the TIPS sheet.

Planning

Date: March 2, 2007

Outcome: Goals and Objectives Defined for Subcommittee

Date: April 30, 2007

Outcome: Plan Review Assignments for Next Meeting

III. Emergency Planning Highlights

The Tennessee Functional Needs Emergency Preparedness-Planning Subcommittee has met 2 times and is in the process of reviewing the state's Functional Needs Plan. Plan section assignments were made at the last meeting for presentation at the next meeting on May 18, 2007.

Activity: Additional Planning Meetings

Outcome/Product: The final outcome will be a better Functional Needs Plan for the State of Tennessee.

IV. Emergency Preparedness Highlights-TBD

Nothing to report at this time.

V. Emergency Response Highlights

- a. TIPS sheet approved and funding is being sought
- b. Partnership between EMS and the Functional Needs Population

VI. Emergency Recovery Highlights-TBD

Nothing to report at this time.

VII. Next Steps

Significant Planned Activities: Continue to have meetings of the subcommittee and executive committee, and Stake holder's Meeting.

Products under Development: Revised Functional Needs Plan

VIII. Other
